## SANITARY WARE SPECIFICATION SHEET

### GROHE CONCETTO

#### A CYLINDRICAL STATEMENT

Inviting design. The formal beauty of the cylinder and the softness of circular elements are perfectly expressed in the Concetto range. Take pleasure in the harmony and perfect ergonomics of precisely drawn lines, angles and curves. Concetto is a unique expression of pure style. A brilliant feature is the strikingly angled operating lever, subtly inviting you to reach out and touch. The space between pure aesthetics and optimum functionality is bridged brilliantly by the finish of the GROHE StarLight surfaces.

#### GROHE SilkMove cartridge technology for smooth handling

This premium tap comes with a continuously variable water temperature and volume adjustment technology, ensuring effortless lever operation even after years of use.

#### Easy to clean thanks to the GROHE StarLight chrome coating

Just wipe the tap down with a dry cloth – the ultra smooth surface finish is scratch resistant and ensures a lasting luminous sheen. You'll save plenty of time cleaning while your tap always looks shiny and new.
