SANITARY WARE SPECIFICATION SHEET

GROHE PLUS

ACCURACY THAT GOES BEYOND DESIGN

Imagine a bathroom that offers not just sleek, cutting-edge, bold design design, but also confidence and control. Where you can tell water temperature at a glance and switch water flow with just a swipe of your hand. A room where nothing is left to chance, where form delivers function in a sleek, tactile package. With the new GROHE Plus you can make it a reality.

This innovative range puts control and convenience in your hands, delivering accurate temperature information at a glance. The GROHE Plus range includes some faucets with a temperature display, so you know the water will always be just the right temperature. GROHE Plus also offers a new level of ergonomic comfort and practical function too, presented in a silhouette of architectural strength and elegance, with surfaces so sleek they invite interaction.

GROHE EcoJoy with water-saving function for reduced consumption

GROHE EcoJoy reduces water consumption by up to 50% without compromising on performance. Whenever you turn on your tap, you will enjoy a full jet of water while saving money nonetheless.

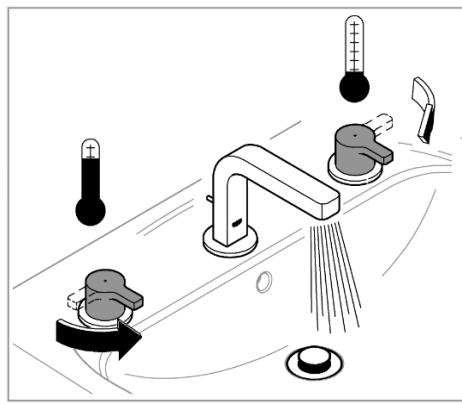

SpeedClean: easy cleaning thanks to silicone nozzle

Indeed, the name says it all: with the SpeedClean technology, you'll have limescale removed from the spout in the blink of an eye thanks to a nozzle made of silicone. A quick wipe with your fingers is all it takes to remove any limescale deposits, saving you a lot of time and effort!

GROHE QuickFix Plus quick and easy installation in a few simple steps

Save time on the installation of your tap with GROHE QuickFix Plus. Consisting of fewer parts, our new system makes the installation process quicker and easier than ever.

9 March 2023

**Approval of "GROHE" Basin Mixer
(General Acceptance No. C20230135)**

Your letters ref. WRC/2379, C-WSD/0996 and C-WSD/0999 dated 12 December 2022, 16 January 2023 and 16 February 2023 respectively refer.

Having considered the test reports ref. J24537Ar4 issued on 4 January 2023 and ref. J24825r2 issued on 5 March 2021 by Nutek Systems (HK) Ltd., this Authority accepts that the fitting described below complies with, and its use when correctly installed does not contravene, the Waterworks Ordinance and Regulations.

Name of Manufacturer: Grohe AG

Country of Origin: Germany

Brand: Grohe

Details of Fitting: 1/2" 3-holes basin mixer with 2 nos. of flexible hoses

Model: 20301XX3
(where "XX" denotes the code of colour)

Body Markings: 

Expiry Date: 8 August 2024

This Authority hereby permits the use of the above fitting in fresh water plumbing systems subject to full adherence to Waterworks installation requirements. In particular, you are required to draw your customers' attention to the following requirement-

“The cold water supply to the fitting shall be drawn from the same source that supplies the hot water apparatus so as to provide a balanced pressure and to obviate the risk of scalding in the event of a restriction or failure in the water supply.”

A condition of this acceptance is that the fitting to be installed shall be replicas of the sample as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the fitting installed fails to meet that of the approved sample or if the fitting is found to be unsuitable for use in fresh water plumbing systems.

This acceptance is only applicable to the main body of the fitting, unless otherwise specified.

For the use of the fitting in any project, the General Acceptance Number of this letter must be quoted as a means of identification of acceptance of the fitting by this Authority.

Should you have any enquiries, please contact our Engineer Ms Winnie LO at tel. no. 3583 4086.

Yours faithfully,

(YAU Hau Yin)

for Director of Water Supplies
