## SANITARY WARE SPECIFICATION SHEET

### GROHE EURODISC COSMOPOLITAN

#### VERSATILE & MEANINGFUL

Confidence across the board. Eurodisc Cosmopolitan fittings stand out as a result of their superior styling and their extensive product range, all boasting the "Made in Germany" seal of quality. This collection allows you infinite creativity in your quest for a personalised bathroom. The sweeping lines of the washbasin faucet allow comfortable, splash-free hand-washing. Refreshingly elegant details and technical sophistication are also available for the shower and bath areas. Single-lever faucets, a complete shower system and a convenient shower caddy are just a few examples. Eurodisc Cosmopolitan turns your bathroom into a comfortable living zone.

#### Easy to clean thanks to the GROHE StarLight chrome coating

Just wipe the tap down with a dry cloth – the ultra smooth surface finish is scratch resistant and ensures a lasting luminous sheen. You'll save plenty of time cleaning while your tap always looks shiny and new.

#### GROHE EcoJoy with water-saving function for reduced consumption

GROHE EcoJoy reduces water consumption by up to 50% without compromising on performance. Whenever you turn on your tap, you will enjoy a full jet of water while saving money nonetheless.

#### SpeedClean: easy cleaning thanks to silicone nozzle

Indeed, the name says it all: with the SpeedClean technology, you'll have limescale removed from the spout in the blink of an eye thanks to a nozzle made of silicone. A quick wipe with your fingers is all it takes to remove any limescale deposits, saving you a lot of time and effort!
