SANITARY WARE SPECIFICATION SHEET

GROHE PLUS

ACCURACY THAT GOES BEYOND DESIGN

Imagine a bathroom that offers not just sleek, cutting-edge, bold design design, but also confidence and control. Where you can tell water temperature at a glance and switch water flow with just a swipe of your hand. A room where nothing is left to chance, where form delivers function in a sleek, tactile package. With the new GROHE Plus you can make it a reality.

This innovative range puts control and convenience in your hands, delivering accurate temperature information at a glance. The GROHE Plus range includes some faucets with a temperature display, so you know the water will always be just the right temperature. GROHE Plus also offers a new level of ergonomic comfort and practical function too, presented in a silhouette of architectural strength and elegance, with surfaces so sleek they invite interaction.

MORE THAN 200 POSSIBLE COMBINATIONS WITH GROHE RAPIDO SMARTBOX

As concealed mixing valves for showers and bathtubs are becoming increasingly successful, concealed units are in great demand. With its minimum installation depth of only 75mm, GROHE's Rapido Smartbox can be easily installed for all showers/bathtubs. The Rapido Smartbox concealed body allows you to control up to three water outlets and is compatible with all GROHE concealed models.
