SANITARY WARE SPECIFICATION SHEET

GROHE GRANDERA

MORE THAN 200 POSSIBLE COMBINATIONS WITH GROHE RAPIDO SMARTBOX

As concealed mixing valves for showers and bathtubs are becoming increasingly successful, concealed units are in great demand. With its minimum installation depth of only 75mm, GROHE's Rapido Smartbox can be easily installed for all showers/bathtubs. The Rapido Smartbox concealed body allows you to control up to three water outlets and is compatible with all GROHE concealed models.

TOMORROW'S GRAND STYLE

The GROHE Grandera collection is both a homage to an age of grandeur long past and an affirmation of modern sensibility, combining the highest standards of quality and craftsmanship with a love of detail and comfort.

Stylistically, the Grandera collection can be combined with a wide range of bathroom furnishings, with the added flexibility of two colors – chrome and chrome / gold.

GROHE SilkMove cartridge technology for smooth handling

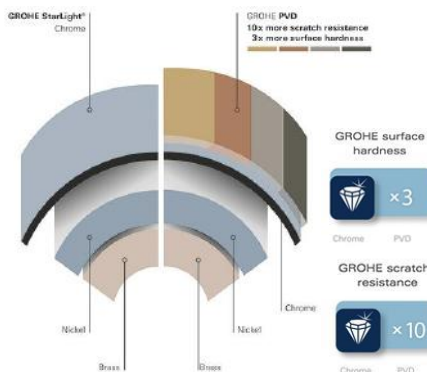

This premium tap comes with a continuously variable water temperature and volume adjustment technology, ensuring effortless lever operation even after years of use.

Easy to clean thanks to the GROHE StarLight chrome coating

Just wipe the tap down with a dry cloth – the ultra smooth surface finish is scratch resistant and ensures a lasting luminous sheen. You'll save plenty of time cleaning while your tap always looks shiny and new.

GROHE QuickFix Plus quick and easy installation in a few simple steps

Save time on the installation of your tap with GROHE QuickFix Plus. Consisting of fewer parts, our new system makes the installation process quicker and easier than ever.
