Approval of "DELABIE" Self Closing Tap (General Acceptance No. C20210534)

Your letters both ref. 745440 dated 24 March 2021 and 29 April 2021 refer.

Having considered the test report ref. J25744r1 issued on 20 April 2021 by Nutek System (HK) Limited, this Authority accepts that the fitting described below complies with, and its use when correctly installed does not contravene, the Waterworks Ordinance and Regulations.

Name of Manufacturer: Delabie SCS
Country of Origin: France
Brand: Delabie
Details of Fitting: 1/2" Self closing basin tap
Model: 745440
Body Markings: **DELABIE**
Expiry Date: 1 December 2025

This Authority hereby permits the use of the above fitting in fresh water plumbing systems subject to full adherence to Waterworks installation requirements.

A condition of this acceptance is that the fitting to be installed shall be replicas of the sample as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the fitting installed fails to meet that of the approved sample or if the fitting is found to be unsuitable for use in fresh water plumbing systems.

This acceptance is only applicable to the main body of the fitting, unless otherwise specified.

For the use of the fitting in any project, the General Acceptance Number of this letter must be quoted as a means of identification of acceptance of the fitting by this Authority.

Should you have any enquiries, please contact our Engineer Mr. Terry KUNG at tel. no. 3583 4086.

Yours faithfully,

(Roger WONG)

for Director of Water Supplies
