SANITARY WARE SPECIFICATION SHEET

American Standard

SafeStop button

- Limits temperature selection at 38°C, depress button to select higher temperature
- Button is located on the bottom of the handle

Push & Turn

- Dial adjusts water volume easily and offers daily convenience at the push of a button

Side Hook

- Use to hang shower accessories and drain the water on the top of the surface
- Load up to 1.5 KG

Cool Surface (CoolShield)

- No risk of scalding on the body

Intuitive Graphics

- improved intuitive graphics on the buttons

ThermoComfort

- Provides a constant and comfortable temperature.

SpaceCreate

- Designed with a shelf space to hold toiletries and accessories

ThermoSafe

- Safety temperature control up to 49°C, with an auto shut-off function when cold water supply fails.

Swivel Spout

- Space Saving so that minimize the space required

EASYGLIDE

No more fumbling moments with the hand shower holder that allows you to adjust its height in just one fluid twist-and-go movement.

Small in Details.
Big on Function.

AIRNEGIZE

Thanks to our thoughtful Airnegize technology that infuses water droplets with air, you will be wrapped in a luxurious shower spray while using lesser water.
